

## DS-2DP7D436IXG1-LEF/416 4MP×4 360° Panoramic & 4 MP 36 × PTZ Camera

Hikvision has been dedicated to develop products with security since established.

Hikvision always follows security by design principle and has adopted many methods of security technologies into our product development lifecycle, including terminal security, data security, application security, network security, and privacy protection. In the meantime, the security technologies used by Hikvision are all in compliance with local applicable laws and safety regulations. These security measures could enhance product's cyber security defense capability and protect your devices as well as your data from malicious cyber attacks.

- Captures a large area and great details at the same time
- 24/7 colorful imaging and excellent low-light performance
- Motorized pan, tilt and rotation in 4 panoramic lenses for flexible adjustment
- 4 adjustable lenses in one camera cover up to 360° field of view, ensuring no blind area monitoring and the monitoring tilt angle can be adjusted
- Clear imaging against strong back light due to 120 dB(panorama) and 150 dB(PTZ) WDR technology
- High quality imaging with 4 MP resolution for both panoramic channel and PTZ channel
- Secures an expansive area with 36 × optical zoom and 16 × digital zoom
- Supports deep learning functions
- Water and dust resistant (IP67) and vandal resistant (IK10)

#### DORI

The DORI (detect, observe, recognize, identify) distance gives the general idea of the camera ability to distinguish persons or objects within its field of view. It is calculated based on the camera sensor specification and the criteria given by EN 62676-4: 2015.

| DORI                | Detect                 | Observe                | Recognize             | Identify             |

### Typical Application

Hikvision products are classified into three levels according to their anti-corrosion performance. Refer to the following description to choose for your using environment.

DS-2DP7D436IXG1-LEF and has NO SPECIFIC PROTECTION. DS-2DP7D436IXG1-LEFY has MODERATE PROTECTION.
